

A software token or VIP Access™ token” is a fraud prevention software app that is downloaded to your mobile device or computer.

It generates a single-use login PIN that is as part of our multifactor authentication process (MFA) to help us prove your identity before we can grant you access to the online banking system.

To download your VIP Access™ token:

1. Login to Online Banking
2. Go to =>**My Settings**< located at the top righthand corner of the page.

This will take you to the **Personal Information Page**.

3. Under the **Login & Security** section Go to =>**Security Options**< click on =>**Edit**<.
