

Stay in the Know with Text Alerts & Notifications

Managing your money just got easier. With our Text Alerts and Notifications, you can quickly check balances, view recent transactions, transfer funds, and receive customized alerts—all from your mobile phone. Whether you're at home or on the go, staying on top of your finances has never been more convenient. This Quick Guide will show you how to get started in just a few simple steps.

Step 1: Login to your **BankFinancial Online Banking** account and go to **Additional Services** and select **Mobile Banking & Alerts** from the dropdown menu options to complete the **Alerts and Notifications** online form.

The screenshot shows the 'Alerts and Notifications' page in the BankFinancial online banking interface. At the top, there are navigation links for 'Notifications', 'My Settings', 'Help', 'Support', and 'Logout'. Below that, a featured banner mentions 'Visa Purchase Alerts' and 'eStatements'. A blue navigation bar contains links for 'My Accounts', 'Bill Pay', 'Move Money', 'Manage Money', 'Additional Services', and 'Secure Forms'. The main content area is titled 'Alerts and Notifications' and includes a 'View all alerts' link. A disclaimer states that alerts for CDs or Mortgages are not supported. There are two input sections: 'Email alerts are sent to' with an 'Email Address' field and an 'Update' button; and 'Text message alerts are sent to' with a phone number field '(xxx) xxx-xxxx' and an 'Activate' button. Below these is a table of alert types with checkboxes for enabling/disabling and a threshold amount.

Alert Type	Enabled	Disabled	Alert Description	Amount
Large withdrawal	<input checked="" type="checkbox"/>	<input type="checkbox"/>	If a withdrawal in Everyday Savings - *1067 equals or exceeds	\$ 100
Large deposit	<input checked="" type="checkbox"/>	<input type="checkbox"/>	If a deposit in Everyday Savings - *1067 equals or exceeds	\$ 100
Low balance	<input checked="" type="checkbox"/>	<input type="checkbox"/>	If Everyday Savings - *1067 falls below	\$ 100
Balance update	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Once a week on Friday send me the balance of Everyday Savings - *1067	

On the right side of the screenshot, there is a 'Text Message Banking' section with the text: 'More features are ready for you. Now you can use simple text messages to instantly: Check your balance, Transfer funds, Transfer activity -- and more. Start text banking now'.

Step 2: Once you enter your mobile number, a pop-up window will ask that you confirm the mobile number and the account you wish to get the alerts and notifications on. It will also ask if you want to allow transfers from another account in when the account has a low balance. Then click on the Activate button. This will automatically send you a text message with an Activation Code.
